

Memorial Policy

The following guidelines have been adopted by the M.A.C.S.T., Inc. Board for memorials.

Individual M.A.C.S.T. scholarships will no longer be given as a memorial in memory of an employee of the Mifflinburg Area School District. Individuals will be recognized as a group when high school scholarships are presented at the Senior Awards Program.

Any known former full-time or part-time employee of the Mifflinburg Area School district (Administrators, Teachers, Support Staff, Custodial Staff, and Coaches) who were employed for a minimum of ten years by the district or who died while working for the district is eligible for recognition. The recognition may be part of any published news article but will not be listed on the M.A.C.S.T. website.

This recognition will occur within two years from the time of death.

This policy was adopted at the M.A.C.S.T., Inc. Board on March 29, 2021.
