

## **Scholarship Selection Guidelines, Procedures, and Policy**

The Chairman of the Scholarship Selection Committees will be a member of the Board of Directors.

There will be separate Selection Committees to score the graduating senior applications and the collegiate applications.

Members of the Selection Committee do not need to be members of the Board of Directors.

Members of the Selection Committee will be approved by the Board of Directors and those names will not be made public by M.A.C.S.T., Inc.

To serve on a Selection Committee, the individual must not have been employed by the Mifflinburg Area School District within the past four years.

To serve on a Selection Committee, an individual may not have a child, stepchild, grandchild, niece, or nephew applying for a scholarship that will be scored by that selection committee.

The Board of Directors will determine the total value of scholarships to be awarded each year before the selection process begins.

Applications will be numbered and have page one containing applicant's name and other identifying characteristics removed by a designated member of the Board of Directors before the applications are given to the Scholarship Selection Committee Chairman.

Scholarship Committee members will judge, score, and rank the applications individually. The committee members will then as a group determine the scholarship recipients and dollar amounts.

Graduating Seniors may be awarded more than one scholarship. Awarding a perpetual scholarship does not prevent an individual from being awarded a standard by M.A.C.S.T., Inc. scholarship.

Adopted by the M.A.C.S.T., Inc. Board of Directors on January 24, 2022.
